

Crotons Ferns and Ornamentals.

CROTONS

Fifteen cents each, \$1.50 per doz. The Crotons are among the finest decorative foliage plants known. They are natives of the South Sea Islands, but are now grown all over the world. They are as easy to grow as Coleus and much brighter in their colorings. Crotons love heat, sunshine and moisture. They are fine for bedding, for house plants, for the window garden or for the piazza. I have the following sorts:

AURKA MACULATA OR PUNCTATISSIMA.

Long leaves, deep green, profusely spotted with bright yellow. This is a thrifty grower and fine bedder.

BARONESS ROTHSCHILD

Broad leaves of bright crimson, yellow and green markings. A very desirable variety, fine bedder.

NERSTOR

Olive ground, pink mid-rib and green spots, one of the finest of all crotons. Fine bedder.

VEITCHII

Broad leaved; Green, Pink, Yellow and Crimson markings. One of the best.

GOLDIN

Medium broad leaves, deep green, mid-rib and center of leaf and sometimes stems golden yellow.

NOBILE

Leaves medium broad, wavy edge and sharp pointed, green marbled with cream, leaf stems pink.

A few large specimen plants at from \$1.00 to \$1.50 each.

PERNS

Fifteen cents each. \$1.50 per dozen. Large specimen plants from \$1.50 to \$2.00 each.

LOMARIA-CHITATA.

A handsome dwarf species, from New Caledonia. Leaves are finely divided, the plant carries a fine head of foliage and is very decorative.

NEPHEURALEPIS

The Sword Fern. One of the best known house ferns, growing under various conditions and with indifferent care they manage to thrive where other plants fail.

N. CORDATA COMPACTA.

Stocky and dwarf with fine dark green leaves.

N. DAVALLIOIDES FURCAUS.

The Staghorn Boston. A grand decorative Fern, with ends of leaflets curiously divided and crested. Hardy as the Boston Fern, forming immense elegant specimens.

N. PIRRSONS'

Piersons' Boston Fern, sometimes called the Tarrytown Fern, has each leaflets re-divided, so that the effect is remarkably lace like and charming, the leaves are quite broad and have a very rich appearance.

ASPARAGUS SPRENGERI

A most desirable species useful as a pot plant or hanging basket. The fronds are frequently five or six feet long in well grown specimens, of a rich shade of green, and most useful for cuttings, retaining their freshness for weeks after being cut, it makes an excellent house plant, as it withstands a dry atmosphere, and will succeed in almost any situation.

ASPARAGUS PLAMOSUS NANUS.

Climbing Lace Fern. This plant has taken the place to a great extent of Smilax in all fine decoration, it possesses the advantage of being much more graceful, its foliage being finer than the most delicate Fern, and will last for weeks after being cut, the whole plant is a bright, cheerful green, it succeeds well under almost any condition.

SMILAX

A charming "bamboo creeper" a handsome small vine, leaves glossy and used largely in florists decorative work.

ARAUCARIA EXCELSA,

Norfolk Island Pine. Largely grown for decorative purposes in the North and in Europe. Has a symmetrical growth of delicate fringed branches. Can be grown in South Florida out doors. It is a grand plant for a jardiniere. Fine plants in pots, \$1.25. Larger \$1.50.

FICUS AUREA

Florida Native Rubber Tree or Wild Fig. Only known in Florida. A choice ornamental tree, large glossy leaves. Fruit small but very good. The tree is a rapid grower, a handsome decorative plant. 25 cents and 50 cents each.

FICUS ELASTICA

The True Rubber Tree. Large glossy leaves much larger than Faurea. The new growth is enveloped in a scarlet sheath, so that the end of each limb looks as if it were in bloom. One of the

finest ornamental plants we have. No trouble to grow. Will stand indifferent treatment. Prices 25 cents to \$2.00 owing to size.

GRWILLERA ROBUSTA

Australian Silk Oak. A splendid fern leaved tree, growing very large, Evergreen and well adapted for a shade tree in South Florida, about as hardy as an orange tree. It is also used largely as a pot plant. I can furnish all sizes of plants from 15 cents to \$1.00 each.

C. S. BUSHNELL.

A Menace to Health.

Kidney trouble is an insidious danger, and many people are victims of a serious malady before the symptoms are recognized. Foley's Kidney Cure corrects irregularities and strengthens and builds up the kidneys, and it should be taken at the first indication of kidney trouble, as it is impossible to have good health if the kidneys are deranged. Sold by Ed Greene.

E. M. Barnett is doing rubber tire buggy work at Tampa or Jacksonville prices. Save freight both ways by patronizing him.

Starving to Death.

Because her stomach was so weakened by useless drugging that she could not eat, Mrs. Mary H. Walters, of St. Clair St., Columbus, O., was literally starving to death. She writes: "My stomach was so weak from useless drugs that I could not eat, and my nerves so wrecked that I could not sleep; and not before I was given up to die was I induced to try Electric Bitters; with the wonderful result that improvement began at once, and a complete cure followed." Best health tonic on earth. 50c. Guaranteed by Ed Greene druggist.

Closing Out Sale of Nursery.

We desire to start a nursery near Lake Josephine, where the writer has recently secured a homestead entry.

The writer will have to move his residence to it before next March and endeavor to close out our entire interest here in the nursery business consisting of about forty-five thousand trees now set in nursery form.

We have seedling grape fruit, sweet seedling oranges and of the budded varieties we have grape fruit buds, tangerine Satsuma, Jaffa, Valencia, Ruby blood Harts tardiff, navel, mandarin, Pine Apple and sweet seedling buds and several other varieties in small numbers.

We are not only prepared to give you your money's worth, but bargains.

To see our stock is to want it.

It is absolutely healthy top and bottom and well rooted.

We are located one half mile south of Lily, Fla.

If you are thinking of setting out a grove or enlarging your grove and have not yet made arrangements it will be to your interest to consult

W. R. VARN.

The Breath of Life.

It's a significant fact that the strongest animal of its size, the gorilla, also has the largest lungs. Powerful lungs means powerful creatures. How to keep the breathing organs right should be man's chiefest study. Like thousands of others, Mrs. Ora A. Stephens, of Port Williams, O., has learned how to do this. She writes: "Three bottles of Dr. King's New Discovery stopped my cough of two years and cured me of what my friends thought consumption. O, its grand for throat and lung troubles." Guaranteed by Ed Greene druggist. Price 50c and \$1.00. Trial bottle free.

A. C. L. Excursions.

If You Want Cash For your Real Estate or Business I Can Get it

No Matter What Your Property is Worth, or in What Town, City, State or Territory it is Located

If I did not have the ability and facilities to sell your property, I certainly could not afford to pay for this advertisement. This "ad" (like all my other "ads") is practically sure to place on my list a number of new properties, and I am just as sure to sell these properties and make enough money in commissions to pay for the cost of these "ads," and make a good profit besides. That is why I have so large a real estate business today.

Why not put your property among the number that will be sold as a result of these "ads?"

I will not only be able to sell it—some time—but will be able to sell it quickly. I am a specialist in quick sales. I have the most complete and up-to-date equipment. I have branch offices throughout the country and a field force of men to find buyers.

I do not handle all lines usually carried by the ordinary real estate agents. I MUST SELL real estate—and lots of it—or go out of business. I can assure you I am not going out of business. On the contrary, I expect to find, at the close of the year, that I have sold twice as many properties as I did the past year, but it will first be necessary for me to "list" more properties. I want to list YOURS and SELL them. It doesn't matter what it is worth, or where it is located. If you will fill out the blank letter of inquiry below and mail it to me today, I will tell you how and why I can quickly convert the property into cash, and will give you my complete plan

FREE OF CHARGE

and terms for handling it. The information I will give you will be of great value to you, even if you should decide not to sell. You had better write today before you forget it.

If you want to buy any kind of a Farm, House or business, in any part of the country, tell me your requirements. I will guarantee to fill them promptly and satisfactorily.

David P. Taff, The Land Man,
415 Kansas Ave., Topeka, Kan.
